

Alumni Appeal 2004

October 2004

Dear Verb Alumnus,

My name is Medgar Boston. Like you, I am an alumnus of Verbum Dei High School. I graduated in 1981, and continue to be involved with our alma mater. I write you now as the Founding President of the newly formed Alumni Association.

Staying involved has given me the opportunity to see firsthand the great things that are happening at The Verb today. One of the most promising is the successful implementation of the Corporate Work Study Program which has been embraced by the greater school community.

Over the years, I have learned that students choose Verbum for many different reasons. I was eager to attend The Verb as a freshman to be a part of Eagle football, while earning a quality education that would help enable me to eventually soar to greater heights. Essentially, our alma mater got under my skin through: teachers, administrators, and coaches who cared and challenged me to never settle for mediocrity; the holistic personal foundation to face my future challenges and attain my life goals; and especially the tight fraternity of brothers, many of whom remain a vital part of my life today.

CONTINUED FROM FRONT SIDE

For the first time ever, your own Alumni Association is asking you to give back by making a donation that will help today's Eagle brothers.

Your gift will establish a link between your past and the future of many young gentlemen who now follow in our footsteps. It is easy to make the gift. Simply complete the enclosed response envelope, let us know where you want your gift to be directed and send it in to the school. We will send you a charitable tax receipt within a few weeks.

I look forward to hearing from you soon.

Sincerely yours in Verbum Dei,

Medgar Boston, Class of '81
Founding Member, Alumni Association

P.S. Many employers will match the charitable contributions of their employees. **This could double your donation to Verbum Dei!** Please check with your employer. If they have a matching gift program, simply fill out the form from your personnel office and return it to Verbum Dei.
